Positioning of Metal Inlay

(only for polished Cellidor handles)

Metal inlays give the promotional article a valuable and up-market look provided they are kept discretely small. Below you will find some examples of good positioning of your company logos.

Multi-purpose Pocket-Tools

«Original Swiss Army Knives»

Small, Elegant Pocket-Tools

- SwissTool**
- **Tampoprint** (on handle)
 - **Etching** (on handle or blade)
 - **Diamond-Engraving** (on handle)

Front side: (scale 1:1)

Reverse side: (scale 1:2)
